My Last Official Greeting from the Office of Administration- Curry County

As the New Year begins, changes come with it. As an appointee of the Curry County Board, my tenure with the county ends on January 9, 2019 when the ordinance creating the position of County Administrator is repealed by the new Board of Commissioners. Transitions from one majority to another are a hallmark of American democracy.

It has been my distinct pleasure to serve the citizens and staff of Curry County from this office and I am thankful to have met so many wonderful, hardworking employees, volunteers and supporters across the county. Public service is a calling and I hold up the employees of Curry County for their dedication to serve the public good. I want to thank all the people that have supported me and offered guidance during my time here.

Moving forward there will clearly be a need for citizen engagement to transition Curry County to a fiscally sustainable position. I encourage everyone to work positively and cooperatively together to solve these long-term financial, economic and housing problems, among others and create a county that flourishes.

As for me, I am transitioning to my next challenge. If I can be of assistance please don't hesitate to reach out. My email address is clarkschroeder@gmail.com.

If everything was perfect, you would never learn and never grow.

I wish you all the best in 2019 and beyond!

Clark Schroeder
