

CORNER RECORDS: ORS 209.250(9) If, in the performance of a survey, a registered professional Land Surveyor **finds** or makes changes in a public land survey corner or its accessories as described: An existing Corner Record or Survey Map in the office of the County Surveyor. The Surveyor shall complete and submit to the County Surveyor a record of the changes found or made to a corner or accessories to the corner. The record must be submitted within 45 days of the corner visits, and must include the Surveyor's seal and original signature, business name and address, and be on stable base reproducible material in the form required by the County Surveyor. (*Emphasis by County Surveyor*)

ATTENTION SURVEYORS: In regards to Corner Records, the Curry County Surveyor's Office has received approval to negotiate an agreement and compensate you to assist us in our Cornerstone Perpetuation program. Program details :

1. This office will provide to any Surveyor requesting for Curry County PLSS work, the following:  
(At no charge)
  - Survey Marker signs and aluminum posts
  - Bearing tree signs
  - 2 1/4"x 30" aluminum pipes with 3 1/4" aluminum caps for monuments. The pipes have been pre-cut for the flared bottom.
2. If you **find** a PLSS corner that just needs rehabilitation and it is incidental to your survey, we will pay you \$150.00 to do the rehabilitation work and filing a Corner Record.
3. If the corner is an integral part of your survey, it is expected you will do the rehabilitation or setting of monuments as required. We will furnish the materials if needed.
4. If a corner is missing and you have determined the location of the monument, based on good survey practices, but setting the monument **is not** necessary for the work required by your client, please call and we will endeavor to reach an agreement to compensate you for the work to set the corner and file a Corner Record.
5. Call Reily Smith from the field (Cell) 541- 425-0615 and we can discuss what is involved and what would be a fair payment. Due to the legal and accounting requirements, an agreement detailing our verbal agreement will need to be signed in our office, or I can Fax/E-mail it to you for your convenience. When I receive the Corner Record, I will submit the claim to the Legal Department and Accounting Department for payment. (*You will be paid if I tell you to go ahead, even if I have to pay you out of my pocket.*)
6. With any of the above work, it is expected that you will try to set/check/mark 4 bearing trees if possible, post a sign and flag the area. A new Corner Record will be prepared with any reference objects noted, GPS coordinates if convenient or other identifications that will help the next person find the corner.

Do to our limited hours, we will be grateful for your help and will assist you in any way we can to help maintain the Public Land Survey System in Curry County.

Thank you for your assistance.

Reily Smith  
Curry County Surveyor
