## Oregon Revised Statute (ORS) And Oregon Administrative Rule (OAR)

### ORS 307.112 Property held under lease or lease-purchase by institution, organization or public body other than state.

(1) Real or personal property of a taxable owner held under lease, sublease or lease-purchase agreement by an institution, organization or public body, other than the State of Oregon, granted exemption or the right to claim exemption for any of its property under ORS 307.090, 307.130, 307.136, 307.140, 307.145 or 307.147, is exempt from taxation if:

(a) The property is used by the lessee or, if the lessee is not in possession of the property, the entity in possession of the property in the manner, if any, required by law for the exemption of property owned, leased, subleased or being purchased by it; and

(b) It is expressly agreed within the lease, sublease or lease-purchase agreement that the rent payable by the institution, organization or public body has been established to reflect the savings below market rent resulting from the exemption from taxation.

(2) To obtain the exemption under this section, the lessee or, if the lessee is not in possession of the property, the entity in possession of the property must file a claim for exemption with the county assessor, verified by the oath or affirmation of the president or other proper officer of the institution or organization, or head official of the public body or legally authorized delegate, showing:

(a) A complete description of the property for which exemption is claimed.

(b) If applicable, all facts relating to the use of the property by the lessee or, if the lessee is not in possession of the property, by the entity in possession of the property.

(c) A true copy of the lease, sublease or lease-purchase agreement covering the property for which exemption is claimed.

(d) Any other information required by the claim form.

(3) If the assessor is not satisfied that the rent stated in the lease, sublease or lease-purchase agreement has been established to reflect the savings below market rent resulting from the tax exemption, before the exemption may be granted the lessor must provide documentary proof, as specified by rule of the Department of Revenue, that the rent has been established to reflect the savings below market rent resulting from the tax exemption.

(4)(a) The claim must be filed on or before April 1, preceding the tax year for which the exemption is claimed, except:

(A) If the lease, sublease or lease-purchase agreement is entered into after March 1 but not later than June 30, the claim must be filed within 30 days after the date the lease, sublease or lease-purchase agreement is entered into if exemption is claimed for that year; or

(B) If a late filing fee is paid in the manner provided in ORS 307.162 (2), the claim may be filed within the time specified in ORS 307.162(2).

(b) The exemption first applies for the tax year beginning July 1 of the year for which the claim is filed. The exemption continues as long as the use of the property remains unchanged and during the period of the lease, sublease or lease-purchase agreement. If the use changes, a new claim must be filed as provided in this section. If the use changes due to sublease of the property or any portion of the property from the tax exempt entity described in subsection (1) of this section to another tax exempt entity, the entity in possession of the property must file a new claim for exemption as provided in this section. If the lease, sublease or lease-purchase agreement expires before July 1 of any year, the exemption terminates as of January 1 of the same calendar year.

### OAR 150-307.112 Property held under lease

(1) A new claim shall be filed with the county assessor, as required under ORS 307.112(4), when a new lease, new lease-purchase agreement, extension of current lease, extension of current lease-purchase agreement or any modification to the existing lease or lease-purchase agreement is made.

(2) The new claim shall meet all the requirements of ORS 307.112.

(3) Late filing as provided in ORS 307.162(2) is permitted.

(4) The State of Oregon and the United States government are not permitted to file a claim for exemption under ORS 307.112.

(5) The assessor must be satisfied that the amount of rent charged is below market rent. "Market rent" is defined as the rental income a property would most probably command in the open market and includes an element for property taxes.

(6) To reflect the savings below market rent, the actual rent must be less than market rent in an amount that is at least equal to what the property tax would be if the property were taxable.

(7) Sufficient documentary proof must be submitted at the time of application.

(8) Acceptable documentary proof to show the property tax savings is passed on to the lessee may include but is not limited to the following comparisons:

(a) Current rental rate for any portion of that property occupied by nonexempt tenants;

(b) Historic rental rate data of that property;

(c) Rental rate used in a real market value appraisal for that property;

(d) Rent study of comparable or similar properties.

(9) The savings must be clearly evident. Insufficient proof or failure to show the rent is below market rent as described above is grounds for denial of the exemption.

(10) A statement that the "lessee is responsible for the taxes" is not sufficient proof of a tax savings.

(11) When used in reference to real property or tangible personal property, a lease is a contract of at least one year by which the owner of a property grants the rights of possession, use, and enjoyment of the property to another for a specified period of time in exchange for payment.

(12) Month-to-month tenancy or a general rental agreement is not considered the same as a lease for purposes of an exemption under this statute and will not qualify in an exemption claim.

### Late filing information:

ORS 307.162 provides for late filing as follows:

1. If you are filing before December 31 for the current tax year, the late filing fee is \$200.00 or one-tenth of one percent of the real market value of the property, whichever is greater.
2. If you are filing before April 1 of the current tax year, for the current tax year only, and you are a first-time filer, have good and sufficient cause for filing late, or are a government entity described in ORS 307.090, the late filing fee is \$200.00.
3. If you are filing for the current tax year and up to five prior tax years and you are a first-time filer, have good and sufficient cause for filing late, or are a government entity described in ORS 307.090, **and** are either filing within 60 days of the mailing date of a notice of additional tax or are filing at any time if no notice was mailed, then the late filing fee is the greater of \$200.00 or one-tenth of one percent of the real market value as of the most recent assessment date, multiplied by the number of prior years claimed.
