In the space provided below please draw a plot plan of your property. **On the plot plan please indicate your property lines, proposed homesite, the name of the adjacent road, and where exactly your driveway will access this road--this is important--your access point determines your house number.** If you have any questions please ask to speak to a Planner.

NOTE: Curry County Ordinance # 80-3 restricts the issuing of rural addresses to improved parcels only. Parcels which have mobile home and/or building permits in progress have been determined by the Department of Community Development to meet this improved status.
