Please select the candidate you think would be an excellent choice for Curry County Administrator

Comments:

Thomas seems to have more Administrative experience
But Clark likes Rural life. I am not sure how well
A "family" will adjust to Curry County
I am hesitant on both but feel like Thomas
would be able to make hard decisions that would move the
County forward

Comments:

I believe either candidate would be a reasonable choice.
Clark has obvious experience and polish that Tom does not. However
Tom's relative "lack" seems to make him less dogmatic and more
amenable to listening & searching for "off-beat" solutions
