Clark,

On Monday, September 10, 2018, I observed that the Taurus that Commissioner Boice uses was not in the parking lot all day. On Tuesday morning, September 11, 2018, during a conversation with Commissioner Boice he said that he left very early the day before, Monday morning, attended the AOC Meeting and returned home late that evening.

Louise  
Interim Acting County Administrator on 09/10/2018
