Curry County is Soliciting Applications for the American Rescue Plan Stakeholder Committee

On June 23, 2021, The Curry County Board of Commissioners approved the creation of a stakeholder committee, comprised of an odd number of members (7) from the public/private sector, excluding elected officials.

Curry County is now soliciting applications from those interested in serving on the ARP Stakeholder Committee and tasked with making recommendations for best use of American Rescue Funds received by the County. This committee will also include, as ex-officio members, the Director of Operations, the Economic Development Coordinator, and County Counsel.

Agencies and parties anticipating submission of project proposals for funding to the ARP Stakeholder Committee are discouraged from applying for this committee.

Your application must be received at the County by 5:00P.M. on Wednesday, July 14, 2021. This announcement and the application link can be found on the County website at: www.co.curry.or.us

Applications can be submitted to: BOC_Office@co.curry.or.us
or by FX: (541) 247-2718

Questions regarding the process can be directed to: (541) 247-3296
