Do you authorize any regular services or individuals to access and/or utilize, maintain, or otherwise use your property and buildings or other property stored on your property? If yes, list those who have access.

If your property is not occupied, do you grant permission for the issuance of a Trespass Notice being issued to unauthorized individuals using your property?

Curry County has a voluntary, no cost registration program wherein the type of animal information is collected for the purpose of disaster response coordination. Information regarding this voluntary program is available at <https://www.co.curry.or.us/departments/animalsvcs.php>

Are any animals housed on your property (domestic/livestock)? If yes, list quantity and type.

Do you have any flammables, hazardous substances or materials on your property? If yes, list type.

Are there any specific issues or concerns regarding your property, that if observed, you request to be notified about?

Thank you for providing the information requested on this registration form. The information will be used to help protect your property's safety and the safety of the property's users.

If you have any questions or other concerns regarding this application or program, please contact the Curry County Code Enforcement Division.
