**DECLARATION OF VALUE**

The value of a building project is the total actual construction cost for all classes of work. An accurate estimate of value must include all costs for architectural, structural, electrical, plumbing, heating, and ventilation devices and equipment, and the contractor’s profit – even if he or she has a financial interest in the project.

I hereby certify the estimated value of the construction project described herein to have been prepared consistent with the above description, and declare it to be

\$\_\_\_\_\_.

I understand that the Building Division is not bound by this estimate for establishing permit fees.
