**Curry County Planning Commission  
Summary of March 26, 2020 Meeting**

**Call to Order:**

The regular meeting of the Curry County Planning Commission was called to order by Chair Freeman at 4:03 pm. This meeting was held as a call-in conference. Commissioner Lynne Dewald, Commissioner Sharon Jensen, Commissioner VonBergman, and Chair Freeman called in. Vice Chair Diana St. Marie and Commissioner Michael Lange did not attend the conference call. Community Development Director Becky Crockett and Planner Nancy O'Dwyer were also on the conference call. No changes were made to the agenda and no commissioner reported conflict of interest, bias, or ex-parte contact with agenda items. The commission voted unanimously to approve meeting summary from February 20, 2020.

Director Crockett summarized the final order of AD-1925, Dry Camping At Social Security Bar. Commissioner DeWald motioned to approve the final order and Chair Freeman seconded the motion, and the four members of the commission present approved the motion unanimously.

It was recommended that the Planning Commission board members review the video from the February 20, 2020 meeting in regards to the AD-1926, since the applicant was in the process of revising this application. However, due to the Coronavirus stay-at-home order, scheduling of the next planning commission meeting was uncertain at this time.
